One Plus GOD is a Majority!

So now, O Lord our God, save us, please, from his hand, that all the kingdoms of the earth may know that you, O Lord, are God alone." 2 Kings 19:19

And that night the angel of the Lord went out and struck down 185,000 in the camp of the Assyrians. And when people arose early in the morning, behold, these were all dead bodies. Then Sennacherib king of Assyria departed and went home and lived at Nineveh. And as he was worshiping in the house of Nisroch his god, Adrammelech and

Sharezer, his sons, struck him down with the sword and escaped into the land of Ararat. And Esarhaddon his son reigned in his place. 2 Kings 19:35-37

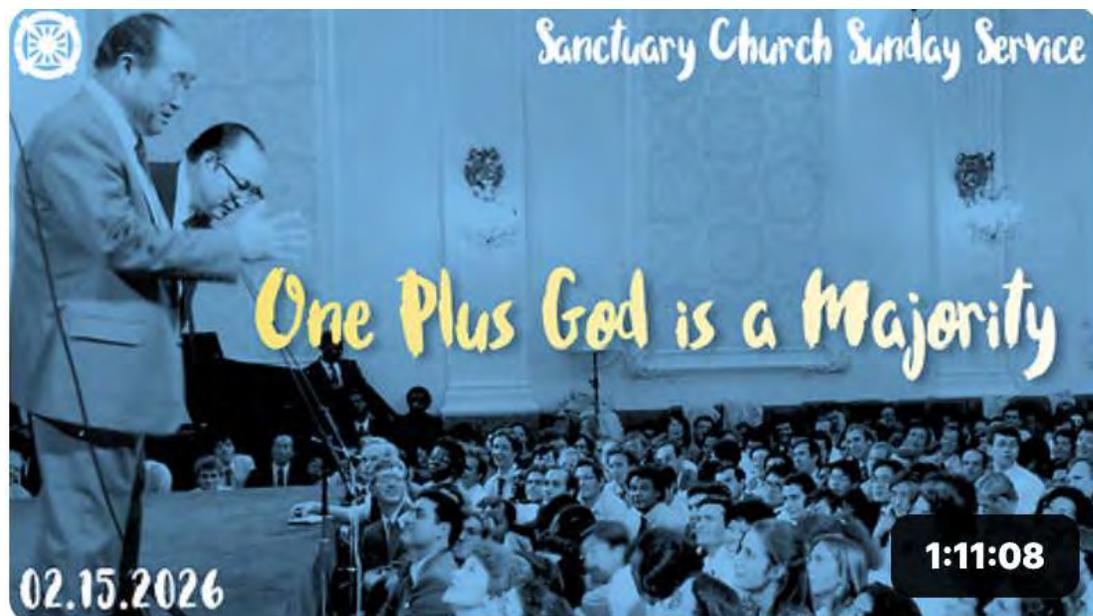

*Korea is standing at a crossroads and must decide whether to seek the path that leads to victory for the democratic world, or the path of victory for the communist world. The issue here is: Who will serve as the guide? Who will be the first one to work in accord with heavenly fortune? Who will fulfill the mission of the flag bearer? For the democratic world to be victorious, there should be a prominent individual, organization or nation that can provide the vision. History always develops and moves forward to a new level through an individual, organization or nation. **Sun Myung Moon's words on The World Rally for Korean Freedom (Yeouido)***

Hello,

In his sermon last Sunday, Newfoundland PA pastor Kyle Toffey spoke about the topic, "One Plus God IS a Majority!" Kyle explained, when we see things that happen around the world it can be overwhelming. What impact can I have? Or our small community have? How many are really listening? It seems- very few. When Kyle joined the UC, he thought the Kingdom of Heaven would come quickly, but it didn't turn out that way.

In the weekly Bible study going through the Old Testament, they have been studying about the people that God called, who likely felt overwhelmed, too. It was against the law for Esther to tell the King anything. She said, "if I perish, I perish." She was able to save the Jews living throughout the Persian empire.

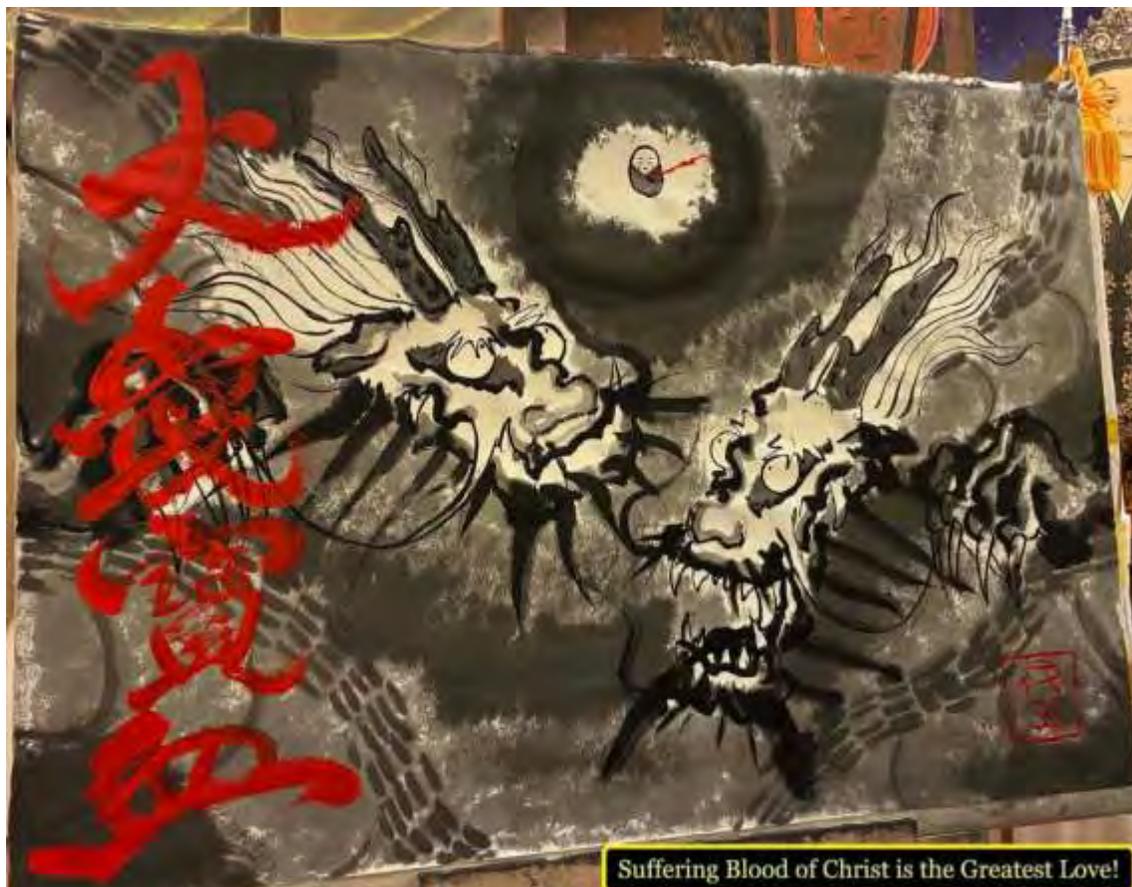

The world measures by resources, credentials, etc. That is not the way God evaluates. God often speaks to us in a quiet voice. When we are called, we often don't know what we are being called to do. In Genesis 6:8, it says "but Noah found grace in the eyes of the Lord." What did "grace" mean for him? He had to give up his entire life and build a huge boat on the top of a mountain. He was mocked for many decades.

When Joseph was thrown into a pit and sold into slavery by his brothers, he had no idea how God was going to work, but he had faith. King Hezekiah of Judah was faced with 185,000 Assyrian troops who had never been defeated. One of the Babylonian kings mocked him and his God, promising to destroy Israel if he did not surrender. Hezekiah prayed a desperate prayer and, unlike other Kings, had absolute faith in God. The next morning, all of the 185,000 troops were dead, brought about by the angel of the Lord.

Jesus was looked upon as an illegitimately born carpenter who claimed to be the King of the Jews. He was mocked and abandoned by all, dying alone on the Cross. By any measure it looked like his ministry was a failure. "Father, forgive them, for they do not know what they are doing!" changed human history forever.

In 1975, Kyle was at the Yoido Island rally where 1.2 million came to hear True Father speak about the need to defend South Korea from the threat of Communism. Unificationists know him as a man of absolute faith, But even he, when called at age 15, had to think about whether to accept God's call. Desperate prayer and absolute commitment were needed, before the Divine Principle or anything else was written.

Later, when Kyle and Genn lived in Korea in the early 2000s, they heard Hyung Jin Nim speak. They felt drawn to help him. A few years later, when Father asked him to take more responsibility, he always said, "yes, Father!"

In 2013 Hung Jin Nim was summarily fired from his position as president of the American church, soon after he gave a series of talks about "Absolute Sex." He ran away to live in the basement of his brother's house, but he had faith.

Within a few years, with Kook Jin Nim's help, he attracted top-level patriots to speak at the Rod of Iron Freedom Festival. He made a Chung Pyung in Tennessee, something Father had requested for each continent!

Then Father called him to go to Asia and to start a ministry to liberate China starting in Taiwan.

God is saying to each of us, "I still need you. The Providence isn't finished yet. Your mission isn't completed!" We will need endurance as we learn the way, daily obedience, and continued faith in face of defeat. Love that sustains opposition. Often God believes in us more than we do. Father never retired. He persevered until his last breath. The remnant is not defined by numbers. We are part of God's people. not because we're perfect, but because we said 'yes.' God needs those who will not be intimidated. As True Mother Kang said on August 8, 2017, "let us be the people who remain to the end!"

The Unification Sanctuary in the U.S.A. has just launched a new website called 2ndADVENT.org which discusses the transformative life, teachings and accomplishments of Rev. Sun Myung Moon. The site also includes prophecies and testimonies of early disciples. Looking forward to hearing your response!

May God bless you and your families!

Sincerely,

Richard
