Hi, Dr. [Tyler] Hendricks

I was at East Garden this morning and, after hearing what happened yesterday at Hoon Dok Hae, I wanted to share with you some of what True Father said this morning. He spoke about business, about CARP (and a few other things), but note the following:

"You must graduate from UTS, no matter what major, or what kind of Ph.D. you have."

"The True Daughters-in-law should graduate from UTS. "

"From today those at UTS should come to Hoon Dok Hae."

"All UTS graduates should participate in True Mother's speaking tour from today."

"All leaders must graduate from UTS."

"Leaders, you must graduate from UTS."

"I am now educating 36 leaders from Christianity. We have to raise up Christian leaders. 36, then 360, then 3,600. Educate them through UTS. They will be the core leaders to educate America."
