The first stage is maintaining absolute sexual purity prior to getting married. After we are born, we go through a process of growth. We pass through infancy and childhood in a very safe and secure environment embraced in our parents' love and protection. We then enter the time of adolescence, which signals the start of a new and dynamic life as we forge relationships on a totally new level with those around us, as well as with all things of creation. This is the moment when we begin to travel the path to becoming an absolute human being - internally, through the perfection of our character, and externally, by reaching adulthood.

Yet, at this time there is an absolute requirement that people must fulfill, no matter who they are. This is the requirement of maintaining their purity, which is the model of absolute sexual morality for human beings. God gave it to His children as their destined responsibility and duty, to be carried out in order to fulfill the ideal of creation. This heavenly path is thus the way toward perfecting the model of absoluteness in conjugal love.

What was the single word, the one and only commandment God gave to Adam and Eve, the first ancestors, upon their creation? It was the commandment and blessing to maintain an absolute standard of sexual purity until God's approval of their marriage. We find the basis for this in the Bible passage that indicates that Adam and Eve would surely die on the day they ate of the fruit of the knowledge of good and evil. If they had refrained from eating and observed Heaven's commandment, they would have perfected their character and, as co-creators, stood with God, the Creator, as His equals. Furthermore, they would have taken dominion over the creation and become the lords of the universe enjoying eternal and ideal happiness.

It was God's blessing that He told them to preserve their purity so that they could wed as His true children through His Marriage Blessing, become true husband and wife, become true parents and give birth to true children. This knowledge deepens our understanding of this commandment. It is connected with the principle of absoluteness in conjugal love, which is a principle of God's creation. The profound truth within God's commandment has lain hidden throughout history: human beings must inherit and live by a model absolute sexual purity that is intrinsic to God's ideal for creation. This is so that they might perfect their individuality as God's children and establish themselves as lords of creation.
