Beloved Father! The time has come when the entire world must determine its direction and rush along the highway leading to the kingdom of heaven by finding one nation, the foremost state. Heretofore You have enabled us to usher in the age where hell, and all of humankind lamenting in the spirit world and the physical world, are liberated. Through Heaven's love for True Parents, the nation of the parents has now been established and the eldest son nation has been determined.

The Eve nation, which is the mother nation, failed to fulfill its responsibility. However, through the unity of twelve Koreans and thirty six Japanese, the standard of the four position foundation has been restored and for the first time the age has come when the United States, which was the archangelic realm, can be blessed. We sincerely thank You, Father, for having supported the devotional work of True Parents, who have been pioneering the way of the Blessing to form the family level kingdom. This replaces the age of the unified kingdom that should have been established centering on True Parents right after the Second World War by all the nations that participated in that war, including Korea, Japan, Taiwan, the Philippines, Canada and Britain.

I am aware of Your pioneering days, when You invested and sacrificed Yourself to bring Your vision into reality. How much persecution have Unification Church members received, and how many tears have they shed to do this work, crossing hills, mountains, seas and continents while walking this obscure path?

We have advanced to the world of liberation where we can establish the unified kingdom based on Christianity. This was made possible when You, who did not ignore our tears, sacrificed the parents' nation and even the children's nation, conditionally, all on the basis of Your love. Due to this and based on this standard, North and South Korea became one, Korea and Japan became one, and Taiwan, the Philippines and Canada transcended ethnicity and became one. Also, the family level relationship of children was established in Adam's family centered on the United States. Furthermore, the realm of love where God's entire passion was to be received as love from above and below, right and left, and front and back, was accomplished.

True Parents have proclaimed the foundation on which everything that previously could not settle down can be brought to settlement, centering on the ideal standard of love in the family, and in all nations of heaven and earth. We dedicate the accomplishment of this foundation to You. Father, we hope and pray that You accept it.

True Mother stands in the position of uniting the twelve people of Korea and the thirty six people from Taiwan, the Philippines and Canada, centered on the mother nation, Japan, and even the nation of the archangel. For the first time and on the foundation of the unity of these nations, the promised hour has come in which they can become one with the True Parents, and in which the parents and the children can become one in the presence of God. Through this condition they can go beyond all obstruction, to victory. Therefore we hope and pray that You accept this ceremony we are carrying out today with joy.

Father, we earnestly beseech You and pray that all past conditions may become a historic declaration and a realm of shields that protect historical and providential victories so God may freely move within the entire cosmos toward the perfected world of the sovereignty of love, remove all traces of Satan's world, and become the supreme King of love who rules with sovereignty endowed with the supremacy of love. Father, please receive this "ceremony for this dedication and transition point" that I am proclaiming. I proclaim this again and again and again in the name of the True Parents. Aju!
